

INCLEMENT WEATHER INFORMATION - ALTERNATE BUS ROUTES
Philomath School District 17J
2011-2012

In any case of inclement weather, the district will broadcast a message on local radio stations or TV station KEZI-Eugene if school is canceled or a delay in the start time. You may also request to be notified via email or text message by subscribing to FlashAlert at <http://www.flashalert.net>. If it's necessary to run a modified bus schedule, that will be broadcast as well. More information is posted on the school district web site: www.philomath.k12.or.us - **Bus Information**.
