

## Civil War Information

### **Print (books)**

The call number (sticker on side of book that tells you where it is in the library) for Civil War is 973.7. Go to this section in the library to find lots of books on the topic.

Reference books about Civil War will have the same call number (973.7) and but will be in the Reference section (shelves by the encyclopedias, at the beginning of the nonfiction section).
