

Online search for articles using OSLIS

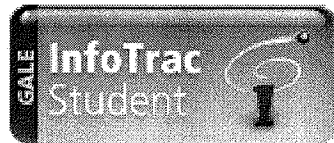

- Go to **Library web page** - <http://www.philomath.k12.or.us/phs/library.html>
- Click on **OSLIS** – left column, halfway down
(If you are doing this from home the User ID is philomat the Password is oslis)
- Select **Find Information** – middle box
- Select the group of databases that best fits your research needs. Some options are:

- ✓ **All Gale Databases**

*Allows you to choose specific databases; each has a description of the types of periodicals and information that are covered in that particular database. Select appropriate database(s) and click **Continue**.*

- ✓ **High Schoolers**

A multi-source database designed to provide access to information relevant to topics in high school curriculum.

- Type in your topic in the **Find** box, click **Search**.
- Click on the title of the article or the Full-text to view the article. Options for saving or printing are in the **Tools** box to the right.
- The box labeled **Refine Results** on the left side, has options that can limit results that might better match your search.
